

Collection of the Year – ECOVIN – Champion-Wine

Dear Wine-Friends,

There are some news from your winery. At this year's Mosel CUP of GOURMETWELTEN 2024 by Nikolas Rechenberg (nikos-weinwelten.de in Berlin), we are pleased to announce the following: “The **Collection of the Year** comes from the **winery Martin Conrad** with strikingly good ratings, especially for the dry Rieslings (2020 Brauneberger Juffer Reserve with 93.3 points), but also for the sparkling wine, with the 2017 Riesling Sekt Dosage Zéro.” We had only submitted four wines and one sparkling wine and this selection was so convincing that we received the [Collection of the Year](#) award!
